**W. L. HACKER FOR ASSEMBLY**

Do the people of Washoe county realize that one of the important offices to be filled this year is that of assemblyman? Legislation vitally affecting the interests of the business men and the people generally of Washoe county will be up for consideration in the next session of the legislature. And in view of the fact that there will be an organized effort made to change existing legislation insuring prosperity for Washoe county and the city of Reno, it will require a man of strong character, legislative ability, one who not only favors no vital change in existing legislation but who will "stand pat" and not be carried away by prejudice or ill-founded enthusiasm for impracticable ideals, to represent Washoe county in the assembly this winter. Such a man is W. L. Hacker, regular Democratic nominee for assemblyman from Washoe county.

Mr. Hacker combines with splendid judgment the qualifications enumerated above. He served in the Twenty-fifth session of the legislature of 1911, and in the special session of 1912, as assemblyman from Nye county, and the records show that he not only had the interests of the whole state at heart, but was particularly active on measures insuring prosperity for Nye county. Since that time he has been practicing law in Reno. He is progressive, public-spirited, and knows the needs of Washoe county and as a member of the next legislature will prove to be as loyal to the interests of Washoe county as he was to the interests of Nye county and a tower of strength in preventing change in existing laws and in securing needed legislation.

Mr. Hacker also has the interests of the whole state at heart. He considers that good roads is a question of vital importance to Nevada and especially to Reno, and will favor them during the coming session.

Mr. Hacker's experience as assemblyman and as chief clerk of the assembly in 1913, eminently qualify him for legislative work. Vote for W. L. Hacker for assemblyman on November 7, 1916, and you will be voting for the interests of Washoe county as well as your own.

**Some of Washoe County's Nominees**

Read the names of the candidates on the Washoe county ticket in Washoe county. There are no strangers on the list. You all know them. They are educated to and will practice the principle that "a public office is a public trust." That principle governs the Wilson administration. The Democrats of Washoe county have no mind to throw at any candidate on the opposition county ticket. They depend upon the merits and

qualifications of the candidates on their county ticket, all of whom are well and favorably known to the electors. Such men as Burke, Stoddard, Dunkle, Hayes, Moore and Updike have proved their qualifications for the office they seek. With Moore as prosecutor and Burke as sheriff, the Washoe county voters will have their law business and court business in good, competent hands. These gentlemen are on the Democratic ticket for district attorney and sheriff.

Judge W. H. Goodwin will preside at the matrimonial bureau in Reno's city hall after January 1st next. Goodwin is the Democratic candidate for justice of the peace at Reno and says he will be elected.

The justice court is the people's court. W. H. Goodwin, a lawyer, business man and man of affairs, has consented to be a candidate for that office in Reno. That he should and probably will be elected is the claim advanced by his friends. This is an important office and the voters of Reno are fortunate in having so well qualified a candidate for justice.

Hon. M. B. Moore is Washoe county's Democratic candidate for district attorney. He will bring to this office an experience and a thorough knowledge of the law; and the law business of Washoe county will be in competent hands if Milt Moore is elected, as we believe he will be.

**Have You Spare Time?**

The Ladies' Home Journal, the Saturday Evening Post and the Country Gentleman wish to secure the spare time of a man or woman to act as local representative in Carson City and vicinity, looking after the renewals of their many subscriptions in this section, and introducing these publications to new readers. Payment will be made in salary and commission. Previous experience is desirable, but not essential.
